

Jacqui Powell

Position on governors: Parent Governor

Date of appointment: 2014

Sub Committee: Chair of Teaching and Learning

Business/Community/Work interests:

I work part time as a Primary school teacher. I have just returned to studying to undertake the National SENCO Award qualification.

Overview:

I have been involved with the Governing body since 2014 and became chair of the Teaching and learning committee last year. I have two children at St-Matthew's, currently in Years two and four, who have always enjoyed everything that the school has offered them.

I believe that St-Matthew's is in a strong position to offer every child the opportunity to achieve great things and that it has a great team of people who are dedicated to making the school fun, safe, respectful and viewed as a centre of excellence.

On occasion, you will see me doing the school run so please don't hesitate to say hello or ask any questions and I will do my best to help.
