

Jenny Miles

Position on governors: Local Authority Governor

Date of appointment: 2014

Sub Committee: Vision and Values

Business/Community/Work interests:

I am now retired and devote my time to my Parish and District councillor roles. I also look after my youngest grandchild for two days every week, which helps my son and daughter-in-law to balance work and family life.

Overview:

I have been involved with the school for a number of years now. I have a grandchild who attends and another who will be joining in the future. I visit the school most weeks to listen to children read and I am always happy to work with children who are so positive about their learning. I am very proud to be part of the Governing body of a school which provides such a positive environment in which children can flourish.
