Overview:

This will be my first term as a Governor for St-Matthew's school. I have one daughter, who is currently in Year 2, and a son who is due to start in Reception in September 2017. I hope to be actively engaged in the school for many years to come.

Being part of the governing body, I hope to bring my enthusiasm and any relevant expertise which may contribute to the continued success of an excellent school. I look forward to working alongside all of those who play such a vital part in the delivery of the day to day learning and the exciting opportunities that St-Matthew's offers its children.
